

Subject: "UPDATED"~~Re: Hayden McFadden Elementary School Principal Catherine Zinni Been Bullied, Violated & Tortured By Superintendent of New Bedford Public School Dr. Pia Durkin & Dr. Jason Falco

Facts & Information That Can Only Be Found On The Credible "GRAPEVINE."~ LISTEN UP.~ Supt. Pia Durkin Dishes out "TERRORISM", "VIOLATIONS", & "BULLYING Issued & Directed By " Supt. Pia Durkin & Assist. Supt. Jason Falco, which includes "CRUEL PUNISHMENT" & "THREATS", To the Principal At Hayden McFadden School, Catherine Zinni .~ Pia is doing this to the principal at HayMac, every day. The Principal at HayMac, is under undue stress & orders to observe classrooms in the morning. Then in the afternoon, she goes to PRAB where she sits in a room for hours and types up her observations while she is watched. If she documents something good, they dock her pay. Talk about bullying tactics & workers rights violation. I'm pretty sure this is not legal. Thank God That Principal Zinni is leaving in June, and will no longer have to be under this kind of non-professional stress and illegal/unlawful behavior by Pia Durkin & Jason Falco. Incoming Principal Tammy Morgan, "BEWARE", as the new incoming principal for Hayden, McFadden you are entering the "DEVILS LION DEN".~
