New Bedford City Council
133 William Street, Room 215
New Bedford, MA 02740

To Whom It May Concern:

My name is Catherine (Rina) Cametti and I am the President/CEO of Beacon Compassion Center, Inc. (Beacon). Beacon is a not for profit organization that has been formed in association with the requirements of 105 CMR 725.000: IMPLEMENTATION OF AN ACT FOR THE HUMANITARIAN MEDICAL USE OF MARIJUANA. Beacon is also a member of the New Bedford Area Chamber of Commerce and is currently in the final siting phase of the application process to bring three registered marijuana dispensaries (RMD's) to the Commonwealth.

Beacon is looking to bring an RMD to the City of New Bedford. We have spent the last few months working on locations and believe we have found a facility that will be suitable to the city in the International Marketplace area. We are currently in the process of completing an offer to purchase the facility, contingent upon the City's approval of this location.

I respectfully request an audience with the New Bedford City Council for the purpose of obtaining a letter of support or non-opposition, which is a requirement in order to proceed.

If you have any questions regarding this request, I can be reached via email at Rina.Cametti@gmail.com or on my cell at 508-735-8682.

I look forward to working with the City of New Bedford to bring a best in class medical marijuana dispensary to the community.

Sincerely,
