Attached, for your review, is correspondence related to the above referenced sewer abatement request.

The circumstances associated with this request have been investigated by the Department of Public Infrastructure, Wastewater Division. As the result of the investigation, The leak in the outside faucet, caused excess water to leak into your back yard and did not pass through the collection system. I would recommend that a credit of \$103.75 be allowed.

Should you be in agreement, I would ask that you communicate the abatement recommendation to the City Council.

Bill Date

Dear Ron,

Please accept this letter as our request for review of our water bill. We recently discovered a leak in the exterior faucet, which has caused an enormous amount of water lost into the ground outside our home.

This has obviously created a huge water bill for which we would appreciate your guidance in getting our bill adjusted for this loss.

I am attaching our bill and appreciate all of the help you can provide.

Hoping all is well and want to say thank you for all you did for our sidewalk poetry that you did on Acushnet Avenue!

Respectfully,

Jill Horton-Simms
