Dear Mr. Farias:

At its meeting on September 28, 2016, the Board of Directors of the Greater New Bedford Community Health Center discussed the request of the New Bedford City Council (in its letter dated September 15, 2016) to reconsider closing its Caroline Street site. It was the decision of the Board to reaffirm its vote of June 22, 2016 to close the site as of September 30, 2016.

Every effort is being made to provide a smooth transition for our Caroline Street patients to receive their primary care services at our main site, which offers a broad range of comprehensive medical services.

Sincerely,

A handwritten signature in black ink that reads "Daniel J. Bertoldo". The signature is written in a cursive style with a large, stylized "D" and "B".
