RE: SEWER ABATEMENT REQUEST

Antone A Fortes
789 County Street
Account# 1019132

Attached, for your review, is correspondence related to the above referenced sewer abatement request.

The circumstances associated with this request have been investigated by the Department of Public Infrastructure, Wastewater Division. As the result of the investigation, due to the broken pipe at shut off and the break at the water tank, the excess water was absorbed into the dirt floor. I would recommend that a credit of \$323.70 be allowed.

Should you be in agreement, I would ask that you communicate the abatement recommendation to the City Council.
