CITY CLERKS OFFICE  
NEW BEDFORD, MA

CITY CLERK

In accordance with the requirements of the New Bedford City Code, Article XI, Section 2-157 Demolition of Buildings, the Preservation Planner, designated to act on behalf of the New Bedford Historical Commission, has examined the structure located at the above-captioned site in order to determine its historical significance and whether it is in the public interest to preserve such structure.

Having reviewed the application for demolition I offer the following findings and recommendation in this matter to the New Bedford City Council:

- The structure is not located in a National Register Historic District.
- The structure is of no notable historic significance either recorded or found with the existing condition of the structure.

**In light of these findings, the Preservation Planner has determined that the structure at 1052 Leroy Street is neither a Historically Significant nor a Preferably Preserved structure.**
