Dear Mr. Grivers,

It is my understanding that the Massachusetts Development Finance Agency (MassDevelopment) will be holding a public hearing on October 6, 2015, as required by Section 147(f)(2)(B)(i) of the Internal Revenue Code, for the approval of a revenue bond financing for a Project being undertaken by Alma del Mar Foundation, Inc. located in New Bedford.

As the City Councilor who represents the area where the school is located, I am writing to express my full support for the project and I am looking forward to the new school opening in the summer of 2016.

Please read this email into the record at the public hearing and if there should be any questions, please do not hesitate to contact me directly.

Thank you for your consideration and I hope the agency will look favorably to approving the financing for this project.
