Dear Mayor Mitchell,

Inspectional Services Department is recommending Philip Stanley to be hired to fill the vacant position of Plumbing & Gas Fitting Inspector. We have been recruiting to fill this position for the last 8 months and have had 7 applicants for whom 6 were non-residents and 1 resident that was not qualified. Given Mr. Stanley's qualifications and experience I would like to start him at Grade 9 Step 5 \$18.93 hour.

Mr. Stanley has been working in the field for over 35 years and has his own business, "After Hours Plumbing" in Mattapoisett, MA. He has a Masters License in Sheet Metal and Plumbing and Gas Fitting. He has a Journeyman License in Plumbing and Gas Fitting and is certified as a Universal Technician in Refrigeration and Air Conditioning. Philip is more than qualified for the position and I feel he will be a great asset to the Inspectional Services Department.

Mr. Stanley currently resides in the town of Marion and I would like to request that he be granted a Residency Waiver. Thank you for your time and consideration in this matter.

Respectfully

Danny D. Romanowicz
Commissioner
