

October 6, 2015

Dear 

We the combined florist of New Bedford are writing to you to ask for your consideration regarding the enforcement of the New Bedford's existing City Ordinances sec. 15-52 (Re: Hawkers and Peddlers).

On the subject of vendors being on private property, the owners of said properties must have a Massachusetts State issued Promoter License MGL. Ch. 101, Sec. 3B. The existing City Ordinances also requires that any individual selling should also have a badge issued by the Director of Standards.

Thank you for your help.
