City Council President Linda Morad &  
Honorable Members of the City Council  
City Hall  
133 William St.  
New Bedford, MA 02740

Dear Council President Morad and Honorable Members:

I am submitting for your consideration a request for a temporary six-month waiver of residency for Mr. Jonathan Nunes, the preferred candidate for our Department of Management Information System's vacant Systems Analyst position.

As Maria Pina-Rocha's attached memorandum details, Mr. Nunes is the most qualified candidate to emerge from the department's recruiting process, and he needs time to relocate to New Bedford from Dartmouth.

Thank you for your consideration.

Sincerely,

  
Jon Mitchell

**SUBJECT:** Temporary Residency Waiver Request

---

I recently completed the recruitment process for the MIS Systems Analyst position. There were a total of 5 applicants. Jonathan Nunes was my strongest candidate. I feel he will be a good fit for the City as well as the MIS team. He was one of the vocational students your office recruited for an internship for the creation of the Task Force website several years back. I personally worked with these students on this project and was impressed with Jonathan's abilities at that time. He is now getting ready to graduate from UMass Dartmouth with a Bachelor of Science Degree in Business Information Systems.

He is currently a resident of Dartmouth and would like to request a 6 month residency waiver to allow him time to relocate to New Bedford.
