Dear Mayor Mitchell,

Inspectional Services Department is requesting the granting of a **Residency Waiver** for Phillip Stanley. I am recommending that Phillip remain employed as a Plumbing/Gas Inspector under the General Building Fund. He currently resides in the Town of Marion with his family.

Mr. Stanley is well qualified for the position as Plumbing & Gas Inspector. Phillip has had thirty years of experience supervising and working in the Plumbing & Gas fitting industry.

Mr. Stanley has been a great asset to the Inspectional Services Department. He has contributed greatly with completing task that is assigned to him in a timely manner. He has demonstrated the ability of handling tough work assignments which resulted to the work flow of permits and inspections being processed more efficiently for the City of New Bedford. Please consider this request as I feel he will be a continuous asset to the department.

Respectfully

Danny D. Romanowicz
Commissioner
