Re: Revolving Fund 1241

Please be advised that the Department of Inspectional Services is currently maintaining the Demolition of Buildings or Structures Revolving Fund (1241).

The purpose of this fund is to support this department in the demolition, removal or securing of buildings or structures or the securing of land. Revenue received from demolition including, but not limited to, charges, fines, liens, insurance proceeds, and restitution payments shall be credited to the fund. The total amount to be expended from this fund will be limited to the current fund balance and how many demolitions are to be done.

The fund balance from FY16 is \$21,987.22. The anticipated revenue for FY17 is \$2,500.00. The estimated expenses for FY17 are \$0.00.

The current fund balance is \$23,816.64, at this time I would like to request this amount to be made available in the 200 account.
