

Please see attached. I believe this is what the school committee passed already last week. Please put this in our resolution format and change any "school committee" wording to City Council.

In addition, this will be placed on the New Bedford City Council Meeting as a motion with a attachment of the resolution.

Thank you,

Steven Martins
New Bedford City Councilor

Subject: FBRC Resolution

Councillor Martins,

As discussed at the School Budget meeting, here is the Foundation Budget Review Commission Resolution that the School Committee will be considering Monday, September 12th. Some City Councils across the state have passed similar resolutions in support of this important issue and I hope you consider it.

Thanks,
Josh
