SUBJECT: Sale of Lots FY18 Appropriation

Per Council Order dated June 23, 2016, \$169,000 was appropriated from Sale of Lots to Public Infrastructure Capital Outlay for FY17 for use in accordance with the Cemetery Board vote dated February 17, 2016. That vote approved the \$169,000 to be expended through June 30, 2018. At this time, the funds have not been fully expended. We respectfully request that the current remaining balance of \$138,274 be appropriated to Public Infrastructure Other Financing Uses so that the funds can be transferred to a capital fund and work can continue in FY18.

The projects that are currently pending and slated for FY18 include the completion of the fencing replacement at Oak Grove North and South; purchase of two black SUVs for funeral processions; water upgrades at Rural and Pine Grove Cemeteries; and tree plantings on cemetery grounds.

I have attached the February 17, 2016 Cemetery Board vote for your records.

Should you be in agreement, I request that you relate this request to the Mayor for submission to Council. Please do not hesitate to contact me with questions or concerns.
