Deni spoke on the Bristol Coalition Project, Closed PODS. To date, the planners have worked with communities and have established many new closed pods. Deni has 9 new signed MOU's in her communities. Ali was unable to attend and will give an update on her communities at the June meeting. Deni conducted a training for long term care administrators in Fall River recently. It was conducted in conjunction with the Fall River Health Department and Emergency Management Services at the Fire Department Headquarters. The training was well attended; 2 new MOU'S were signed and delivered at the training. Deni thanked Lisa Crowner for sharing her expertise and technical assistance at the training. The planners will be conducting additional regional trainings in BP1.

Deni mentioned that the planners will be sending out the usual end of year COOP plans to be updated: The Order of Succession, Job Function Analysis, Personnel Responsibilities during an Emergency, and the Call Down List. Please review and update with any changes for the COOP (Continuity of Operations) Binder 2 and copy your planners on any changes.

Lisa Crowner mentioned that work plans and budgets are being written by planners, regional coordinator and HMCC. Deni submitted the draft BP1 budget to HMCC today.

Lisa reminded everyone that individuals must be on the 24/7 contact list if they receive cell phone reimbursements. She mentioned the Bristol Closed POD was going very well and that the Joint Coalition Project for BP1 has yet to be decided.

Liisa Jackson spoke of the many MRC activities in the area. Liisa said she will continue to send members reports of all that is happening, especially around trainings.

In closing, Dr. Vaillancourt reminded everyone that syringes must be disposed of in red sharps containers.

A motion was made for meeting to adjourn at 3:20pm by Bethany Collins and seconded by Bob Davis. Passed
