The property meets and exceeds all the city's comparative criteria as set forth in your RFP and outlined as follows:

Size of Parcel- Highly advantageous as the upland buildable portion of the parcel is far greater than the 45,000 sq. ft. required. (368,280 sq. ft.)

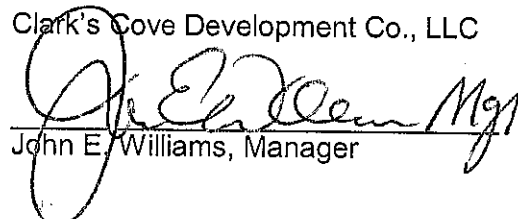

Frontage on City Accepted Roadway- Highly advantageous as the parcel fronts on three city streets (Orchard St., Bolton St., Swift St.) and the frontage is far greater than the 125 ft. required. (1,485 ft of frontage)

Right of Way, Easement, Restriction- Highly advantageous as the parcel has no right of way or easement either over or under the property or restrictions affecting the use of the property for the city's intended purpose.

Zoning, Wetlands and other State or Local Statute or Regulation- Highly advantageous as the City's intended use is permissible under local zoning, state and local wetland laws and any other applicable state or local laws or regulation. The property is zoned mixed use business and abuts a commercial office building and is across from other commercial use buildings. It is located less than 500 ft from the intersection of Rockdale Avenue and Cove Rd., two of the City's main traffic connectors and close to Rt. 18. There are no structures to remove and the site is served by water, sewer and gas lines.

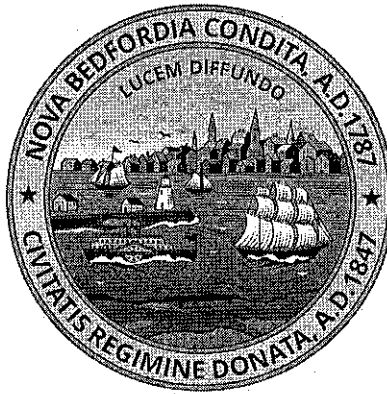

Please contact me if the City would like any further information or a site visit of the property.

## SECTION 2 -- GENERAL PROVISIONS

2.1 Covenant. Seller agrees to sell and Buyer agrees to buy the Premises upon the terms hereinafter set forth.

2.2 Buildings, Structures, Improvements, Fixtures. Included in the sale as a part of said Premises are the buildings, structures, and improvements now thereon, and the fixtures belonging to SELLER and used in connection therewith.

2.3 Title Deed. Said Premises are to be conveyed by a good and sufficient quitclaim deed running to BUYER, or to the assignee or nominee designated by BUYER by written notice to SELLER at least seven calendar days before the deed is to be delivered as herein provided, and said deed shall convey a good and clear record and marketable title thereto, free from encumbrances, except

- (a) Provisions of existing building and zoning laws;
- (b) Existing rights and obligations in party walls which are not the subject of written agreement;
- (c) Such taxes for the then current year as are not due and payable on the date of the delivery of such deed;
- (d) Any liens for municipal betterments assessed after the date of this agreement; and
- (e) Easements, restrictions and reservations of record, if any, provided the same do not interfere with use of and access to the Premises for general municipal purposes, including, without limitation, for office space purposes.

2.4 Deed; Plans. SELLER shall be responsible for drafting the deed. If said deed refers to a plan necessary to be recorded therewith SELLER shall deliver such plan with the deed in a form adequate for recording or registration.

2.5 Registered Title. In addition to the foregoing, if the title to said Premises is registered, said deed shall be in a form sufficient to entitle BUYER to a Certificate of Title of said Premises, and SELLER shall deliver with said deed all instruments, if any, necessary to enable BUYER to obtain such Certificate of Title.

2.6 Possession and Control of Premises. Full possession of said Premises free of all tenants and occupants, except as herein provided, is to be delivered at the time of the delivery of the deed, said Premises to be then (a) in the same condition as they now are, reasonable use and wear thereof excepted, and (b) not in violation of said building and zoning laws, and (c) in compliance with provisions of any instrument referred to in clause 2.3 hereof. BUYER shall be entitled personally to inspect said Premises prior to the delivery of the deed in order to determine whether the condition thereof complies with the terms of this clause.

2.7 Extension to Perfect Title or Make Premises Conform. If SELLER shall be unable to give title or to make conveyance, or to deliver possession of the Premises, all as herein stipulated, or if at the time of the delivery of the deed the Premises do not conform with the provisions hereof, then SELLER shall use reasonable efforts to remove any defects in title, or to deliver possession as provided herein, or to make the said Premises conform to the provisions hereof, as the case may be, and thereupon the time for performance hereof shall be extended for a period of thirty calendar days.

2.8 Failure to Perfect Title or Make Premises Conform. If at the expiration of the extended time SELLER shall have failed so to remove any defects in title, deliver possession, or make the Premises conform, as the case may be, all as herein agreed, or if at any time during the period of this agreement or any extension thereof, the holder of a mortgage on said Premises shall refuse to permit the insurance proceeds, if any, to be used for such purposes, then any payments made under this agreement shall be forthwith refunded and all other obligations of the parties hereto shall cease and this agreement shall be void without recourse to the parties hereto.

2.9 Buyer's Election to Accept Title. BUYER shall have the election, at either the original or any extended time for performance, to accept such title as SELLER can deliver to the said Premises in their then condition and to pay therefore the purchase price, without deduction, in which case SELLER shall convey such title, except that in the event of such conveyance in accord with the provisions of this clause, if the said Premises shall have been damaged by fire or casualty insured against, then SELLER shall, unless SELLER has previously restored the Premises to their former condition, either

- (a) pay over or assign to BUYER, on delivery of the deed, all amounts recovered or recoverable on account of such insurance, less any amounts reasonably expended by SELLER for any partial restoration, or
- (b) if a holder of a mortgage on said Premises shall not permit the insurance proceeds or a part thereof to be used to restore the said Premises to their former condition or to be so paid over or assigned, give to BUYER a credit against the purchase price, on delivery of the deed, equal to said amounts so recovered or recoverable and retained by the holder of the said mortgage less any amount reasonably expended by SELLER for any partial restoration.

2.10 Acceptance of Deed. The acceptance of a deed by BUYER, or its assignee or nominee as the case may be, shall be deemed to be a full performance and discharge of every agreement and obligation herein contained or expressed, except such as are, by the terms hereof, to be performed after the delivery of said deed.

2.11 Use of Money to Clear Title. To enable SELLER to make conveyance as herein provided, SELLER may, at the time of delivery of this deed, use the purchase money or any portion thereof to clear the title of any or all encumbrances or interests, provided that all instruments so procured are recorded simultaneously with the delivery of said deed, or, if an institutional mortgage, within a reasonable time thereafter in accordance with customary conveyancing practices.

2.12 Adjustments. Outstanding water and sewer charges, fuel value, and other items shall be adjusted as of the closing date. Taxes for the then current fiscal year shall be adjusted in accordance with G.L. c. 59, § 72A. Any taxes paid by SELLER prior to the closing shall not be refunded. If the amount of said taxes is not known at the time of the delivery of the deed, they shall be apportioned on the basis of the taxes assessed for the preceding fiscal year.

2.13 Brokers. BUYER and SELLER each represent and warrant to the other that each has not contacted any real estate broker in connection with this transaction and was not directed to the other as a result of any services or facilities of any real estate broker. BUYER and SELLER agree to defend, indemnify the other against and hold the other harmless, to the extent permitted by law, from any claim, loss, damage, costs or liabilities for any brokerage commission or fee which may be asserted against the other by any broker in connection with this transaction. The provisions of this paragraph shall survive delivery of the deed.

2.14 Contingencies. BUYER'S performance hereunder is, at BUYER'S option, expressly subject to the following conditions:

- (a) BUYER obtaining a favorable vote of City Council in the City of New Bedford authorizing the BUYER to acquire the premises for the consideration stated herein and upon the terms set forth in this offer and authorizing the appropriation of sufficient funds for that purpose;
- (b) BUYER shall have complied with the provisions of G.L. c.30B (the Uniform Procurement Act) for acquisition of real property;
- (c) SELLER shall have complied with the disclosure provisions of G.L. c.7, §40J, and SELLER and BUYER agree to diligently pursue full compliance with said statute. SELLER hereby agrees to execute a "Disclosure of Beneficial Interests in Real Property Transaction" certificate as required by G.L.c.7, §40J;
- (d) SELLER shall have obtained written waivers of any right to claim relocation benefits under the provisions of G.L. c.79A and 760 CMR 27.03 from all occupants of the Premises and SELLER shall represent and warrant in writing at closing that all such waivers have been provided as to all occupants. SELLER hereby agrees to waive any rights SELLER may have to relocation benefits under the provisions of M.G.L. c. 79A;

Furthermore, SELLER shall defend, indemnify and hold BUYER harmless as to any claim for relocation benefits or payments brought against BUYER by any former or present occupant (or future occupant between now and the Closing Date) of the Premises and pay any costs incurred by BUYER resulting from any such claim. The provisions of this paragraph are expressly agreed to survive the delivery of the deed;

(e) Buyer shall have inspected the Premises (including the environmental inspections as set forth more particularly in Section 2.20) and SELLER'S title to the Premises and be satisfied with the condition thereof, in its sole and absolute discretion; and

(I) Any other requirements of the Massachusetts General or Special Laws relative to the acquisition of property by BUYER.

Provided, however, that if any of the foregoing conditions are not satisfied by \_\_\_\_\_, 2017, BUYER shall have the option of extending the closing date until such conditions are satisfied, and further provided that the closing date shall not be extended beyond \_\_\_\_\_, 20\_\_\_\_, provided that BUYER shall give SELLER days written notice of its exercise of this option prior to the closing date and shall give SELLER seven days written notice of the new closing date.
