# Memo

To: Ari Sky, CFO

From: Damon Chaplin, Director  
Health Department

Subject: New Bedford Health Department - Dental Program

Date: February 9, 2018

The Health Department is requesting a transfer in the amount of \$15,000 from the 100 Salaries and Wages account as well as additional resources in the amount of \$20,000 for a total of \$35,000 to help sustain the City's current Dental Program. This request is necessary because the Dental Program was under budgeted during the previous fiscal cycle. In the past, the Emerging Leaders in Public Health (ELPH 2552) grant from the Kresge Foundation was used to supplement the Dental Program. When the grant expired, funds from the vacant Health Department Director's salary were designated to help supplement the Dental Program. For FY19, the Health Department will be filing an enhancement request to fully fund the Dental Program through the Health Department's General Fund budget.
