Mayor Jonathan F. Mitchell  
Office of the Mayor  
133 William St Rm 311  
New Bedford, MA 02740

Dear Mayor Mitchell,

I would like to inform you that I am resigning from my position as Conservation Commissioner for the City of New Bedford, effective Wednesday April 4, 2018.

Thank you very much for the opportunity to serve the City on this Commission since 2014, it has been a great learning experience.

I have enjoyed working alongside the other Commissioners and the staff at the Office of Environmental Stewardship. The City is fortunate to have such dedicated and professional citizens working and serving that Department.

Respectfully,

Jacob Gonsalves, P.E.
