Dear Mayor Mitchell,

Inspectional Services Department is requesting the granting of a Residency Waiver for Carl Bizarro. I am recommending that Carl remains employed as a Local Building Inspector. Mr. Bizarro is currently living in the Town of Acushnet with his family. We are also requesting that this be his last residency waiver for he will have fulfilled the 3 years of employment for the City of New Bedford by the time this residency waiver expires.

Mr. Bizarro has been a great asset to the Inspectional Services Department. He has demonstrated the ability of handling tough work assignments which resulted to the work flow of permits and inspections being processed more efficiently and effectively for the City of New Bedford. He has continually been instrumental with assisting the Mayor's Task Force with the increase of Certificate of Inspections which has many homeowners of multifamily properties and business owners complying with zoning and building codes which in turn makes the properties and businesses safe for the tenants and/or constituents. He has been consistently learning codes and zoning to be better proficient as an Local Building Inspector and is a team player. Please consider this request as I feel he will be a continuous asset to the department.

Respectfully

  
Danny D. Romanowicz  
Commissioner
