

Councillors Markey and Dunn:

I have attached a draft of a Zoning Ordinance that would allow Adult Day Care facilities to be located in Industrial zoned areas. The change would require a special permit from the Board of Appeals. The special permit requirement exists in the current law for all other areas so industrial zoned areas will be treated exactly the same as all other areas that allow adult day care facilities.

Let me know if you have any questions.

David G.

## AN ORDINANCE

---

### RELATIVE TO THE ZONING OF ADULT DAY CARE FACILITIES

---

31- 509

Be it ordained by the City Council of the City of New Bedford as follows:—

#### SECTION 1.

Row 4 labeled "Adult Day Care", of Chart C labeled "Commercial" of Appendix A of Chapter 9 of the Code of Ordinances is hereby amended by striking the word "N" as it corresponds to columns IA, IB and IC and inserting in place thereof the word "BA".
