

# COME TO THE EVERSOURCE SOLAR OPEN HOUSE !

See large-scale solar up close, ask questions about how solar works, learn about the environmental benefits of utility-scale solar generation, and connect with fellow solar supporters.

Saturday, October 06, 2018  
9:00 AM - 12:00 PM  
50 Duchaine Blvd  
New Bedford, MA 02745

Please RSVP at: <http://bit.ly/solaropenhouse-406>

**This event is free and open to the public - everyone is welcome to attend.**

Whether you are a solar owner, completely new to solar, or somewhere in between – this event is for you. Stop by for a few or stay for a while!

***More info from the New Bedford Solar Facility:*** New Bedford Solar Facility is a 1.22 MW (1220 kW) facility placed in-service in February, 2018. There are 3042 solar panels covering over 68,000 sq ft. of area.
