SUBJECT: Transfer from Charges and Services to Capital

I am requesting the transfer of \$10,000 from Charges and Services to Capital Outlay. This surplus is the result of savings gained from license changes within Office 365. The funds will be reallocated to assist with the replacement of 48 computers within the Police Department. These computers are 7+ years old. They not only pose a security risk to the network, they also will not support the Office 365 program.
