RE: The Denial of Whisk & JANE LLC to establish a premier multi-purpose recreational cannabis facility from 161 Popes Island, New Bedford

Dear Counsel Lafreniere,

First I would like to thank Ed and yourself for taking the time to meet with me today to address the "denial" issued by the Port Authority for Whisk & JANE LLC as it pertains to the establishment of our adult recreational use cannabis businesses - to be located at 161 Popes Island. As it was stated on the New Bedford City Council record (1/10/19) Councilor Giesta said the Port Authority has denied our building request. Whisk & JANE LLC adamantly opposes the statement made by Councilor Giesta and believes she intentionally misrepresented (what we believe to be) communications from the NBPA that were submitted by New Bedford Tax Attorney Blair Bailey (ref. 12/19/18 cannabis meeting) as they relate to Ma. Gen. Law 91 and knowingly distorted the context of the law/guidance provided (as we are within our legal right to file for a Chapter 91 license if concluded to be necessary) to further impede our process and tarnish our positive momentum within the community (as we have presented a solid plan to incorporate the fishing community and will further present our expanded plan to ensure we are compliant with all legitimate marine industrial regulations as they pertain to our businesses). Per our discussion today I believe that the New Bedford Port Authority in no way issued such a decision on the establishment of Whisk & JANE LLC and its subsidiaries from operating recreational cannabis businesses from 161 Popes Island, New Bedford - as they do not have the authorization to perform any such duties. Under Ma. Ch. 66 Sec. 10 we request the New Bedford Port Authority immediately submit to Whisk & JANE LLC a formal copy of the "Denial" referenced by Councilor Giesta on 1/10/19 and issued by the NBPA as it pertains to the establishment of our proposed recreational cannabis businesses (to be located at 161 Popes Island, New Bedford).

Thank you,

Ericca Kennedy

RE: Public Records Request Denial of Whisk & Jane LLC to establish a premiere multi-purpose recreational cannabis facility at 161 Pope's Island, New Bedford, MA

Dear Ms. Kennedy:

It was the sincere pleasure of the Port Director and me to meet you on January 11, 2018. I hope our meeting with you was informative. As we advised during that meeting, the Commonwealth of MA Department of Environmental Protection makes the decisions regarding property issues within Designated Port Areas, which includes the subject site at 161 Popes Island, New Bedford, MA.

The NBPA does not have any documents that are responsive to your request. If I can be of further assistance please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Pamela Lafreniere". The signature is fluid and cursive, with a large initial "P" and "L".
