Dear Mayor Mitchell,

Inspectional Services Department is requesting the granting of a **Residency Waiver** for Phillip Stanley. I am recommending that Phillip remain employed as a Plumbing/Gas Inspector under the General Building Fund. He currently resides in the Town of Marion with his family.

Mr. Stanley is well qualified for the position as Plumbing & Gas Inspector. Phillip has had thirty years of experience supervising and working in the Plumbing & Gas fitting industry. Because of his qualifications and experience, Phillip has been moved into the Senior Plumber and Gas Fitting Inspector's position because our previous employee has recently retired.

Mr. Stanley has demonstrated the ability of handling tough work assignments which resulted to the work flow of permits and inspections being processed more efficiently for the City of New Bedford. He has now been employed for more than 3 years as the Plumbing and Gas Fitting Inspector. He has contributed greatly with the inspections needed for projects that require his expertise. Please consider this request as I feel he is a great asset to the department.

Respectfully

  
Danny D. Romanowicz  
Director of Inspectional Services
