Dear Mayor Mitchell,

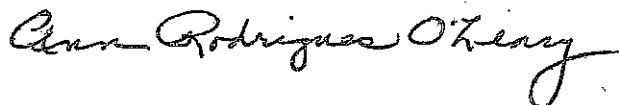

I am applying for a position on the Library Trustees Board. I hold a Master's in Library and Information Science from Simmons College and have worked as a school librarian for New Bedford Public Schools for over 25 years. As my enclosed resume indicates, I have retired as high school librarian at New Bedford High School and now hold that position at Bishop Stang High School.

I am also the Emily Bourne Research Fellow for the New Bedford Whaling Museum. Recently, we launched *Lighting the Way: Historic Women of the SouthCoast*, a project that seeks to amplify local historic women's stories through a website, app, walking trail and school curriculum. I researched and wrote the text for this wonderful project, along with assistance from about a dozen volunteers. Enclosed is a copy of our trail map, truly a product that took a village.

Born and raised in New Bedford's South End to Portuguese American parents, I returned to New Bedford after graduate school and raised my own family here. For over 30 years, on a daily basis, I have supported New Bedford's students and teachers, and they have inspired me as well.

I believe that libraries can change lives, and I hope to be able to support and assist New Bedford Free Public Library as a trustee.

Sincerely,

Ann Rodrigues O'Leary
