RE: Transfer of Funds – Wastewater Budget

There will be a surplus in DPI's Wastewater budget in Salaries and Wages due to vacancy savings. All vacancies have been posted and advertised, and the department has been actively recruiting at job fairs, on the city's website, through universities, and on professional websites. Turnover has always been a struggle for this department and has greatly contributed to the vacancy savings. There is also an estimated surplus in Capital Outlay that we would like to transfer to Services.

I respectfully request a transfer of \$170,000 from Salaries and Wages to Services. We plan to utilize these funds for maintenance at the Wastewater Treatment Facility and pump stations. We would also like to transfer \$450,000 from Capital Outlay to Services for the same use.

Please do not hesitate to contact me with questions. I appreciate your assistance in this matter.

Sincerely,
