Mayor,

Currently, I am requesting a residency waiver for Erin Fredette as a variable time Paramedic. As you are aware NBEMS is presently changing to a tiered response department to address the National paramedic shortage, as well as to initiate a better response to medical 911 calls. As has been the procedure of mine since 2009 in hiring employees, EMS always gives precedence to New Bedford residents, if all applicants are equal. In our quest to hire paramedic VT's, we had only 2 people apply. Ms. Fredette and a City resident. The City resident has been recommended for hire and is currently going through the pre employment physical.

I thank you for your time and consideration in this matter, and as always if you have any further questions please feel free to contact me at any time.

Erin Fredette

East Falmouth, MA 02536

Respectfully submitted,

Mark D McGraw
