

City of New Bedford
IN COMMITTEE

March 12, 2020

The Honorable City Council
133 William Street
New Bedford, MA 02740

Dear Honorable Members of the City Council:

The Committee on Environmental Affairs at a Meeting held on Thursday, February 27, 2020, considered a WRITTEN MOTION, Councillor Bousquet and Council President Martins, requesting that the City's Remediation and Licensed Site Professionals, TRC Engineering, come before the City Council Special Committee on Environmental Affairs to outline the latest results and upcoming actions in regard to the Parker Street Waste Site, specifically to explain the costs associated with their services. (Ref'd 2/23/12) (3/19/12-tabled for 90 days)

On motion by Councillor Lopes and seconded by Councillor Gomes, the Committee Voted: To follow the Chair's suggestion and recommend to the City Council to take "No Further Action" on the WRITTEN MOTION, Councillor Bousquet and Council President Martins, requesting that the City's Remediation and Licensed Site Professionals, TRC Engineering, come before the City Council Special Committee on Environmental Affairs to outline the latest results and upcoming actions in regard to the Parker Street Waste Site, specifically to explain the costs associated with their services. This motion passed on a voice vote.
