Mayor,

Currently, I am requesting a residency waiver for John Blaudschun as a Full time EMT. As you are aware NBEMS is presently changing to a tiered response department to address the National paramedic shortage, as well as to initiate a better response to medical 911 calls. As has been the procedure of mine since 2009 in hiring employees, EMS always gives precedence to New Bedford residents, if all applicants are equal. We have currently exhausted the NB resident applications for VT EMT that have been submitted. I hope for more residents in the future as we build up are department and will begin this spring actively recruiting possible candidates at the various EMT schools in the area.

I thank you for your time and consideration in this matter, and as always if you have any further questions please feel free to contact me at any time.

John Blaudschun
 Lakeville, MA 02347

Respectfully submitted,

Mark D McGraw
