

CITY OF NEW BEDFORD
JONATHAN F. MITCHELL, MAYOR

May 18, 2020

City Council President Joseph P. Lopes and
Honorable Members of the City Council
133 William Street
New Bedford, MA 02740

Dear Council President Lopes and Honorable Members of the City Council:

I would like to request a **Waiver of Residency** for **Robert Tetreault** for the position of Waterfront Supervisor for the Department of Parks, Recreation & Beaches, who currently resides in Mattapoisett, Massachusetts.

I have attached correspondence to support the reason for this request.

Director Mary Rapoza and Robert Tetreault will be available at the meeting to answer any questions.

Sincerely,

Jonathan F. Mitchell
Mayor

CITY OF NEW BEDFORD

PARKS, RECREATION & BEACHES
JONATHAN F. MITCHELL

April 15, 2020

Mayor Jonathan F. Mitchell
City of New Bedford
133 William Street
New Bedford, MA 02740

Dear Mayor Mitchell:

I respectfully request a residency waiver for Robert Tetreault. I am recommending Robert for the position of Waterfront Supervisor. Robert Tetreault is a young man who resides with his parents. His parents currently live in Mattapoisett.

Robert Tetreault is well-qualified for the position. Robert has been working on the waterfront at the New Bedford beaches as a life guard since 2012. The last three years he has been the Waterfront Supervisor. This position requires a strong understanding and knowledge of the lifeguard operations and responsibilities. Robert's history of working on our beaches as well as his experience as the Waterfront Supervisor makes him the ideal candidate for this position. We have not received any applications from qualified New Bedford applicants for the position.

I know that Robert is an asset to the City of New Bedford given his qualifications and past employment with us.

I will be available at the meeting to answer any questions presented by the City Council.

Thank you for your assistance.

Very truly yours,

A handwritten signature in black ink, appearing to read "Mary S. Rapoza".

Mary S Rapoza, Director
