Good morning,

See below for the number of lifeguards and their residency. This year the NBPS were not able to offer the lifeguard certification course as they have in past years due to COVID-19 protocol. The Red Cross also did not offer lifeguard certification this spring. The Red Cross extended existing lifeguards certifications through the fall as re-certifications that are required of the guards were also not offered this year.

Let me know if you need anymore information.

Mary

Hi Mary,

As of today we have a total of 19 waterfront staff of which 4 our non-residents.

Waterfront Supervisor 1 non-resident

Asst. Waterfront Supervisor 1 resident

Head Guards 2 resident and 1 non-resident

Life guards 12 resident and 2 non-resident

Hope this helps.

Hi Mary,

Happy Friday. 😊

At last nights council meeting Councilor Gomes requested that the body be provided with a list of the total number of Life Guards hired by the city this year, how many from New Bedford, and how many from outside of the City of New Bedford.

Thank you,
Joe
