Honorable Mayor Jon Mitchell
City of New Bedford

New Bedford, MA 02740

Mayor Mitchell,

Please accept this letter as notice that I will be stepping down from the Greater New Bedford Regional Vocational Technical High School District School Committee as of August 12, 2020.

I was honored to be appointed to this serve in this important capacity and accepted the role with hope I could carve out enough time to properly tend to my duties at GNBVT, on the New Bedford School Committee, in my professional obligations, other community boards, and most importantly, at home. You know I pride myself in being thorough, detail-oriented, and fully committed to going above and beyond in all these capacities.

Over the last few months, the pandemic has sharply increased the workload in virtually all of these areas, and an effective GNBVT School Committee member must expend considerable time and attention staying on top of important matters facing the district, which currently include managing a safe return in the fall, the beginnings of important negotiations with new bargaining units, and a looming superintendent search, on top of all the regular responsibilities of a School Committee member.

My primary consideration in making this decision is that my professional duties require me to attend my own organization's board meetings, which fall squarely into conflict with GNBVT's meetings. I am thankful my organization has been understanding and allowed me the flexibility to do both for the last year and a half, but the increased frequency, duration, and importance of these meetings requires more of me in the post-COVID world. In some cases, New Bedford School Committee and GNBVT School Committee meetings have also presented conflicts, and both boards deserve members who can give it their all.

While it was never my intention to depart before the end of my term at GNBVT, the time feels right to afford the next board member the opportunity to get in now, at the early stages of negotiations and prior to selection of the next leader of the district, rather than later. The next year or two will be pivotal in shaping the future of the school, and the next board member should be in it for the long haul. I am glad that I will be able to see GNBVT seniors cross the stage at graduation as one of my last events.

I appreciate your understanding and want to fully express my willingness to assist in the transition. I hope I can continue to contribute to GNBVT in other ways, and believe deeply in the school's mission and importance to our region.

Thank you,

Joshua Amaral
