Re: Revolving Account 1204

At your request, I am submitting the Health Department's Revolving Fund, which must be approved by the City Council for FY21

The Fines and Forfeiture Revolving Fund - 1204 was originally designated to receive fines from lead violations. We no longer enforce the lead poison provisions of the lead law. We did not collect any revenue in FY20.

The revenue source for this account going forward will be supported by fines collected throughout the year in accordance with our Environmental Health Code Enforcement requirements. The estimated revenue for FY21 is \$3000.00.

Please do not hesitate to contact me with questions.
