

November 30, 2020

New Bedford City Council President Joseph P. Lopes and Honorable Members of the City Council City of New Bedford New Bedford, Massachusetts 02740

Dear Council President Lopes and Honorable Members:

The United States Congress has made funding available to the City of New Bedford, through the U.S. Department of Housing and Urban Development (HUD). The Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, was signed on March 27, 2020 to respond to the growing effects of the COVID Pandemic. The CARES Act makes available \$951,553 in supplemental Community Development Block Grant (CDBG-CV) and \$1,576,274 in supplemental Emergency Solutions Grant (ESG-CV) funding to the City of New Bedford for grant activities that prevent, prepare for, and respond to coronavirus.

The City of New Bedford is required to complete and submit to HUD a substantial amendment to the FY 2015-2019 Consolidated Plan and the FY 2019 Annual Action Plan. Attached please find a copy of the Substantial Amendment to the FY 2015-2019 Office of Housing and Community Development Consolidated Plan and FY2019 Action Plan, which sets forth activities to be funded through the CDBG-CV and ESG-CV for the current fiscal year.

I am requesting that you approve and authorize the submission of the Substantial Amendment to the FY 2015-2019 Office of Housing and Community Development Consolidated Plan and FY2019 Action Plan to the U.S. Department of Housing and Urban Development (HUD).

No substantive changes have been made to the Substantial Amendment to the FY 2015-2019 Office of Housing and Community Development Consolidated Plan and FY2019 Action Plan which was made available to the public for review on November 30, 2020, for the HUD expedited 5-Day Public Comment Review Period which expired on December 7, 2020.

If you have any questions regarding the contents of the plan, please do not hesitate to contact Patrick J. Sullivan, Director of the Office of Housing and Community Development (OHCD) at (508) 979-1500.

Thank you for your consideration of this matter.

Respectfully,

Jonathan F. Mitchell, Mayor

Expected Resources

AP-15 Expected Resources – 91.220(c) (1, 2)

Introduction

The city anticipates receipt of CDBG funds in the amount of \$2,658,238 annually. To maximize the impact of the CDBG Entitlement funds, the city expends general government funds, has aggressively and successfully secured significant grant funds, and encourages all partners and projects to leverage additional dollars.

As a HOME Investment Partnership Program Entitlement Community, the city will receive \$845,944 annual to support direct assistance to moderate income homebuyers and to subsidize the development cost of affordable housing projects. The city will receive \$223,212 in Emergency Solution Grant funds to support emergency shelter, rapid re-housing, homeless prevention, services, street outreach and HMIS programs and services.

Table 1 - Expected Resources - Priority Table

Annual Action Plan 2019

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied The City of New Bedford anticipates CDBG funds will leverage additional resources. Non-entitlement funds that will be used to further the goals of the Strategic Plan may include: private foundations, organizations, and individuals. The following leveraged resources are anticipated during the Consolidated Plan period:

- City General Funds \$2,250,000: The annual City budget commits resources for the priority activities including Public Parks, Facilities, and Infrastructure, and the Health Department.
- Community Preservation Act \$2,547,875: City and State funded initiative for open space, historic preservation and housing.
- State Affordable Housing Resources \$1,750,000: Affordable Housing Developments are likely to utilize a variety of State Housing Resources including Housing Bond funds, State Tax Credits, Historic Tax Credits and the Mass Rental Voucher program.
- Federal Affordable Housing Resources \$1,350,000: Affordable Housing Developments are likely to utilize Low-Income Housing Tax Credits, Historic Tax Credits, Housing Trust Funds, and Federal Home Loan Funds.
- YouthBuild New Bedford \$200,000: Department of Commerce award for Youth Build activities.
- Philanthropy \$800,000: Private funding from national, state, and local funders including the United Way and Private Foundations, and
- New Market Tax Credits: NMTCs were created in 2000 as part of the Community Renewal Tax Relief Act to encourage revitalization efforts. The NMTC program provides tax credit incentives for equity investment.
- Section 8 Funds: Section 8 is administered by the New Bedford Housing Authority and provides rental subsidies.
- Massachusetts Rental Voucher Program: administered by the State and provides rental subsidies.
- emergency assistance and shelter an opportunity to overcome some of the financial barriers to ending their homelessness. Funded and Massachusetts HomeBASE Program: HomeBASE is the Commonwealth's re-housing benefit created to provide those who qualify for administered by the Department of Housing and Community Development's Division of Housing Stabilization (DHS).

Annual Action Plan 2019 Match: The ESG program matching requirements are met through non-federal resource secured by individual program providers to meet or exceed the 1:1 HUD mandated ESG match requirement. All of our ESG funded programs have committed or surpassed the dollar for dollar match contribution on their awards. The HOME statute provides for a reduction of the matching contribution for qualified communities. New Bedford in FY19, had 19.3% of families living in poverty and had an average of per capita income of \$23,866. New Bedford has met both conditions to receive a 50% match reduction. The city has met its match liability requirements through the leveraging of state and federal resources as identified on form 40107-A.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Publically owned land will be utilized in the furtherance of affordable housing development and to support the Mini-park and community garden program. Properties taken for back taxes may be used for housing redevelopment. Additionally, vacant city lots may be used for affordable in-fill housing or as Mini parks/ community gardens. The use of publically owned properties will address the need for safe, affordable housing and for increasing residents' access to recreational activities.

Discussion

The priorities identified within the Strategic Plan are the outcome of an extensive, comprehensive effort to identify community needs. The Strategic Plan assesses the available resources available to meet those needs. The City of New Bedford's investments will leverage public and private funds to address the economic development, affordable housing, community development, and special needs populations' needs.

entitlement allocations prior to the publication of the Draft FY19 Action Plan. The funding levels incorporated in the Draft FY19 Annual Action Plan and released for public comment were based on the funding allocations awarded in FY18. Any increase or decrease in funding allocation amounts Contingency Provision: The City of New Bedford included contingency language in the Draft FY19 Action Plan to account for not receiving exact will be applied proportionally to either reduce or increase funding to the CDBG, ESG and/or HOME Programs by the same percentage as depicted in the final allocation amounts released by HUD. BUDGET: The following budget chart provide a breakdown of the CDBG-CV and ESG-CV programs and projects for FY19.

Introduction

In Year 5 of the Consolidated Plan, the city has allocated funding that addresses unmet priority need while continuing commitments to successful programs and multi-year initiatives. The HOME Rehabilitation program is a long-standing, successful effort that addresses a high need as identified in the Resident Needs Assessment—safe, affordable housing. Similarly, the economic development programs and initiatives operated by the New Bedford Economic Development Council are indicative of the city's long-standing commitment to support local business growth. Public service activity programs are successful programs operated by the city and non-profit partner agencies. Public infrastructure and projects represent a continued commitment to improving public spaces.

The City will be receiving \$1,624,151 in CDBG-CV funds and \$805,424 in ESG-CV funds to respond to the COVID-19 pandemic. The funds will be split between Administration (maximum 20% CDBG-CV and 10% ESG-CV) and the remainder will be allocated to CDBG-CV Public Services and Economic Development Activities and all eligible activities under ESG-CV through a Request for Proposal Process.

The City will be receiving \$951,533 in CDBG-CV funds and \$1,576,274 in ESG-CV funds to respond to the COVID-19 pandemic. The funds will be split between Administration (maximum 20% CDBG-CV and 10% ESG-CV) and the remainder will be allocated to CDBG-CV Public Services and Public Facility Activities and all eligible activities under ESG-CV through a Request for Proposal Process.

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The city allocated funding to address the priorities identified within the Consolidated Plan process. Reasons for allocation priorities are based on citizen input, broad goals established by the city, and demonstrated need for activities such as homeless services, economic development and neighborhood revitalization. The overwhelming priorities are the continued commitment to improving housing conditions, which account for 23% of the CDBG entitlement funding, and economic development initiatives, which account for 20% of CDBG entitlement funds.

Programs that support improvements to public infrastructure, facilities, and parks represent a significant investment in the capital needs in low and moderate income neighborhoods.

For the Consolidated Plan, the results of citizen input strongly supported homeownership and housing rehabilitation, so the city sets a priority on encouraging new homeownership and preserving existing homeownership. The primary obstacle to meeting underserved needs is limited availability of local, state, and federal funding. Another obstacle is the continued affordability gap for renters and homeowners. Despite comparable low rent rates and real estate sales, a greater number of New Bedford residents pay a disproportionate amount of their income on housing.

The CDBG-CV and ESG-CV funds will be distributed to organizations with eligible activities that are project-ready where they can prove they have an urgent need in response to COVID-19. The funds will be managed through the Office of Housing and Community Development.

City of New Bedford Office of Housing and Community Development Substantial Amendment #2 to the FY2015-FY2019 Consolidated Plan and the FY2019 Annual Action Plan

The City of New Bedford's Office of Housing and Community Development is proposing a substantial amendment to its One Year Action Plan (FY 2019) in order to receive a \$951,5553 allocation in Community Development Block Grant COVID-19 (CDBG-CV) funds, and a \$1,576,274 allocation in Emergency Solutions Grant ESG COVID-19 (ESG-CV) funding. This is the second substantial amendment to the FY2015-2019 Consolidated Plan and FY19 Action Plan, the first being related to an initial receipt of COVID funding that included both CDBG-CV funding and ESG-CV funding.

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, was signed on March 27, 2020 to respond to the growing effects of the COVID Pandemic. The City of New Bedford was notified by the U.S. Department of Housing and Urban Development (HUD) that it will receive \$951,553 in a subsequent round of Community Development Block Grant (CDBG-CV) funding and \$1,576,274 in the second round of Emergency Solutions Grant ESG COVID-19 (ESG-CV) funding. The funding will be distributed through a request for proposal process to local organizations with urgent needs as a result of COVID-19 and prioritize the unique needs of low- and moderate-income persons.

The City was directed by HUD to amend its approved FY2015-2019 Consolidated Plan and FY2019 Annual Action Plan to reflect the allocation of CDBG-CV and ESG-CV funds and to demonstrate how the funding will be allocated to the City. This funding is a second allocation from HUD and necessitates a second Substantial Amendment to the City's FY2015-2019 Consolidated Plan and FY2019 Annual Action Plan.

At the time of the initial allocation the City was also directed by HUD to amend its Citizen Participation Plan to reflect two waivers issued by HUD that allow for a shortened 5-day comment period and alternative hearing formats (e.g., virtual meetings) due to the urgent nature of COVID-19; as such, that plan has already been amended to reflect these waivers.

Eligible CDBG activities include, but are not limited to, assisting low and moderate income households with rental assistance for no more than three months, general food security and meal programs, workforce development and re-training programs, small business assistance to retain employees that are low and moderate income and support of other COVID-19 response services to ensure public health and well-being.

Eligible ESG activities include street outreach, emergency shelter, homelessness prevention, rapid rehousing, Homeless Management Information System and administration.

The amended document has been posted online (see link below) for public review and comment.

All public comments are welcomed and encouraged!

Amendments to the Substantial Amendment #2 2019 Annual Action Plan at a Glance:

- The approved 2019 Annual Action Plan has been amended to reflect the allocation of \$951,553 in CDBG-CV funds and \$1,576,274 in a second round of FY19 ESG-CV funds.
- The proposed amendments to the document are indicated with underlined text. Specific updates are noted below by section and page number.
 - AP-05 Executive Summary: the summary of Citizen Participation was updated (See page 5).

- AP-10 Consultation: text was added regarding the December 9, 2020 Public Meeting.
- o AP-12 Participation: please see notation regarding HUD's issuance of Waiver's for the 2019 AAP amendment to receive the CDBG-CV funds and ESG-CV funds.
- AP-15 Expected Resources: text was added about the CBDG-CV, ESG-CV funds, dollar amounts were updated to include the new allocation of CBDG-CV, ESG-CV funds. (See page 40.)
- AP-35 Projects: text was added about the allocation of CDBG-CV and ESG-CV funds and how it will be distributed to the community through a request for proposals process. (See page 46,47)
- AP-38 Project Summary: the information and timelines were updated to reflect the CDBG-CV and ESG-CV funds and the proposed projects. (See pages 55-57)

The amended draft Annual Action Plan for PY2019 will be available for review and comment for a period of at least 5 days from November 30, 2020 to December 7, 2020.

Citizen Participation Plan

The Citizen Participation Plan (CPP) was already amended to reflect HUD Waivers that put aside the 15 and 30-day minimums for the public comments and allow for no less than five (5) days during the current emergency period. Additionally, the CPP also allows the use of virtual meetings in an effort to contain COVID-19 and limit public gatherings in accordance with HUD Waivers. The amended CPP is available online at: https://s3.amazonaws.com/newbedford-ma/wp-content/uploads/sites/58/20200708123318/AMENDED-CPP-July-2-2020-FINAL.pdf

Opportunities for Public Comment

Written comments will be accepted beginning November 30, 2020 – December 7, 2020 by emailing the Office of Housing & Community Development at: OHCD@newbedford-ma.gov.

A public hearing will be held virtually using Zoom at the regular meeting of the City Council on December 9, 2020, at 7:00 p.m. to consider any and all public comments on the amended 2019 Annual Action Plan.
