Subject: Health Department Revolving Fund Account

Date: May 4, 2021

The New Bedford Health Department is exploring ways to make the City of New Bedford the healthiest city in the state. The health department is faced with addressing population health concerns which often deplete department resources and finances. The intent of the Health Department programs revolving fund account is to provide financial resources to address the need for episodic and routine public health investigations and evaluations that further prevent the spread of chronic, communicable and infectious disease. The Health Department Compliance Programs Revolving fund account for fiscal year 2021, has an estimated revenue of approximately \$32,200.00. During fiscal year 2022, The New Bedford Health Department estimates expending approximately \$32,200 from this fund in accordance with *DEPARTMENTAL REVOLVING FUND General Laws Chapter 44, § 53E^{1/2}*.

Sincerely,

Damon Chaplin, Director
New Bedford Health Department
