TO: Michael Gagne, Interim CFO
FROM: Jamie Ponte, Commissioner
DATE: May 31, 2022
SUBJECT: FY 22 DPI Budget Deficit

I am estimating a deficit of \$63,000 in the DPI 200 Charges and Services account. This deficit is the result of costly repairs to several of our snow removal vehicles.

I respectfully request a transfer to eliminate this deficit at year end.

Please do not hesitate to contact me with questions. I appreciate your assistance in this matter.

Thank you.

Dear Mayor Mitchell:

The Snow budget has an estimated surplus of \$68,000.

The Department of Public Infrastructure has notified our office that they suffered extensive repair expenses for vehicles used as part of the City's snow operations last Winter.

I recommend that the surplus in the City's snow account be transferred to DPI to cover this expense.

Very truly,
