RE: HCA Meeting 1/14/18

Dear Mayor Mitchell,

On behalf of Whisk & JANE LLC (The Whisk Mill, The Cotton Refinery and Green Lion Craft Cannabis) I'd like to extend our sincerest thanks for the opportunity to sit down with you to discuss our vision for 161 Popes Island and our commitment to the betterment of the community of New Bedford. The quality of our engagement and the genuine interest given to the passion we have for our proposed location did not go unnoticed and is greatly appreciated. We further commend your willingness to listen to our concerns as they pertain to the HCA requirements, zoning & bylaws implemented by the City of New Bedford - as they relate to our approved Economic Empowerment standing with the Massachusetts Cannabis Control Commission.

Whisk & JANE LLC looks forward to continuing to work together towards directly impacting positive change for the community of New Bedford through the establishment of our coastal cannabis concierge and supporting businesses. Whisk & JANE LLC (and our supporting businesses) will continuously work directly with yourself, state and local officials to adapt and evolve our plans, procedures and protocols to best ensure the safety of our guests and the community of New Bedford. The future of the Whaling City will be beaconed by the blossoming cannabis market and we look forward to working with you to bring innovative recreational cannabis industries to our community.

Best Regards,

Ericca Kennedy
