RE: Intermunicipal Agreement with the Town of Acushnet for Waterfront Improvements on
Lake Street

Dear Council President Abreu and Members of the City Council:

I am enclosing for your consideration an Intermunicipal Agreement with the Town of Acushnet
for Waterfront Improvements on Lake Street.

At its sole expense the Town of Acushnet is interested in improving and maintaining a certain
parcel of property owned by the City of New Bedford on Lake Street. The improvements consist
of creating parking lots and a beach; clearing brush, establishing walking trails, outfitting the
lake with fishing docks, creating a playground area enclosed with a fence and establishing a
gathering area equipped with in-place Hibachi type grills and picnic tables.

In addition to constructing and maintaining the improvements and area, the Town of Acushnet
will obtain insurance coverage. Any contractors or vendors completing work at the property
shall obtain the same coverage and the City of New Bedford will be named as an additional
insured on all policies. The term on the agreement is for twenty-five years.

Thank you for your consideration of this matter.

Sincerely,

Jonathan F. Mitchell
Mayor
