Greater New Bedford Regional Vocational Technical High School  
Michael P. Watson, Superintendent-Director  
1121 Ashley Boulevard  
New Bedford, MA 02745

Dear Superintendent-Director Watson:

Our sincere thanks to you, members of your Executive Management Team and the New Bedford's School Committee representatives for the invitation to join together earlier this week.

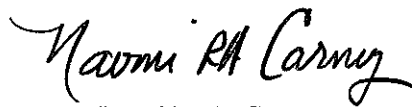

We enjoyed the overview presentation, tour of facilities and the discussion on a wide range of topics related to academic and technical education of New Bedford students at Greater New Bedford Regional Vocational Technical High School. Further, we appreciated the ability to speak freely to express our opinions and concerns regarding several issues related to the admission process, career growth and success of students attending high school. We recognize the importance of increased access to technical education for high school students and look forward to working in partnership to continue the success and expansion of programs offered at Greater New Bedford Regional Vocational Technical High School.

Once again, our sincere thanks for your invitation to join together and our best wishes to all for continued success in this academic year.

Sincerely,

Derek Baptiste
