RE: Amendment to City Ordinance, Chapter 10 Establishing a Revolving Fund

Dear Council President Morad and Members of the City Council:

I am enclosing for your consideration an Amendment to Chapter 10, Section 10-47 of the City Code of Ordinances. This Amendment establishes two revolving funds for the Emergency Medical Services (EMS) department: one revolving fund to process the fees and expenses generated from vendor requests for EMS details; and one revolving fund to process the fees and expenses generated from an EMT Training Academy.

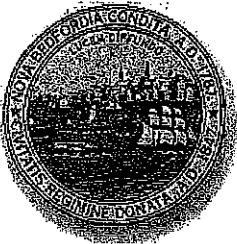

The EMS department has been working with the Massachusetts Department of Health to develop the Training Academy to ensure that the department, when filling vacancies, has access to a reliable pool of EMTs trained to a high standard. The Training Academy will also benefit residents by providing them with a strong foundation for a career in emergency medical services, with potential for employment with New Bedford EMS upon completion of the program.

A copy of the proposed Ordinance is attached and a representative from EMS will be available at the meeting to answer any questions you have regarding either revolving fund. Thank you for your consideration in this matter.

Sincerely,

Jonathan F. Mitchell
Mayor
