Re: Notice of Activity and Use Limitation (4)  
Disposal Site Name: New Bedford Intermodal Center

Dear Council President Morad and Members of the City Council:

Enclosed are four (4) proposed Orders authorizing the Mayor to execute, on behalf of the City of New Bedford four (4) Activity and Use Limitation's (AUL's) for the New Bedford Intermodal Center located at the Whale's Tooth Parking Lot, DEP Release Tracking Number 4-00118. The four properties are owned by the City of New Bedford and shown on Assessor's Map 72, Lot 244; Map 66, Lot 172; Map 66, Lot 127; and Map 66, Lot 133.

Based upon the review performed by the City's LSP, Matrix New World Engineering, Inc., it has been determined that with the restrictions limiting exposures to soil impacts identified at the Rail Yard site, as set forth in the enclosed AUL's, the site would pose "No Significant Risk" to health, safety, public welfare or the environment under current conditions. The obligations set forth in the AUL's must be undertaken and/or maintained at the property in order to maintain a condition of "No Significant Risk".

Very truly yours,

  
Jonathan Mitchell  
Mayor
