Hi Bernadette,

I dropped these two applications off at the office yesterday. Subsequent to that I noticed that a minor change needs to be made on each application. Namely, the words Mother and Father both need to be uncapitalized. Would you like me to resubmit the applications with these corrections? If so, that will have to wait until Monday or Tuesday when I return home as I am away for the weekend and I don't have the associated Word documents with me. Or can you hand correct them? Please advise.
